Review: <i>July 2023</i>

Wheatley Hill Primary Vision for the PE and Sport Premium

“All pupils leaving primary school will be physically literate and hold the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the school vision (*above*), that will live on, well beyond the Primary PE and Sport Premium funding.

What is Sport Premium?

The Primary PE and Sport Premium is government funding allocated to schools annually, since 2013/14. From 2-13/14, the funding amount schools received was based upon a lump sum of £8,000 followed by £5 per pupil, based on the number of primary age children the school has. From 2017, the Sports Premium has doubled to £16,000, followed by £10 per pupil. The PE and Sport Premium is designed to help primary schools improve the quality of PE, by increasing the quality and breadth of provision and increasing participation in PE and sport.

At Wheatley Hill Primary School we strive to promote healthy and active lifestyles and aim to provide sporting opportunities, for all our pupils.

Objectives of spending the Sport Premium:

The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport, for the benefit of all pupils to encourage the development of healthy, active lifestyles.

The five key indicators that have been set are:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PESSPA being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

In 2022 – 2023, Wheatley Hill Primary School will receive **£18,750** Primary PE & School Sport Premium. This will be used in conjunction with other grants and funds from the school budget to raise standards in curriculum **Physical Education, School Sport, Physical Activity** and Healthy living (PESSPA).

Current Situation and Key achievements to date (July 2022):	Areas for further improvement:
<ul style="list-style-type: none"> • All classes taking part in weekly PE lessons • All classes take part in regular Outdoor Education and Forest School activities • The outdoor space has been well-developed to support the teaching of PESSPA; <ul style="list-style-type: none"> ○ football pitches and 2 x 7v7 goal posts ○ cycle/running track ○ mountain bike ramps, ○ all-weather 5-a-side sport surface ○ grass sledge area ○ installation of 3 bucket swings ○ large climbing frame ○ forest school area • Year 6 Challenge Residentials offered; <ul style="list-style-type: none"> ○ Cycling Challenge ○ Canoe Challenge ○ Expedition Challenge • The school entered multiple teams into football competitions and Leagues (hosting the majority of fixtures); <ul style="list-style-type: none"> ○ Year 4 County Cup ○ PDPSFA League ○ PDPSFA Girls' League ○ John Adamson Cup – winners <p>Outdoor Education & Adventure Opportunities</p> <ul style="list-style-type: none"> • 1 x term of off-site Outdoor Education provided to each department (Years 1-6; Pioneers, Pathfinders, Trailblazers and Climb) • Outdoor Education on-site (Nursery and Reception; Explorers) • End of year whole department residential offered; <ul style="list-style-type: none"> ○ Derwent Reservoir (canoeing, sailing, paddle board, fencing, cycling, archery) 	<ul style="list-style-type: none"> • Further opportunities for competition at Level 2 (inter-school) • Aim to meet the criteria for Gold School Games Awards • Further develop the outdoor space to ensure all pupils take part in at least 30 mins of physical activity, each day • Develop staff, through a planned CPD programme, to ensure all staff confident in teaching high-quality P.E • Launch of our new P.E offer at Coxhoe Active Life Centre • Improve swimming outcomes for pupils

Swimming and Water Safety (Year 6 2022)	
<ul style="list-style-type: none"> • What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year? 	66%
<ul style="list-style-type: none"> • What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year? 	36%
<ul style="list-style-type: none"> • What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year? 	16%

We will also plan appropriate 'water safety' and 'drown prevention' awareness within our P.E, PSHE and RSE & Health curriculum, which will be audited and reviewed to build skills and knowledge from Reception to Year 6, across and academic curriculum long term plan. This will also be developed within our planned Outdoor Education, where children will take part in water sports, throughout the year.

We are also building water safety awareness within the school community (parent leaflets, Facebook and the school website).

Academic Year: 2022-23		Total fund allocated: 18,750	Date Updated: September 2022	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: %
